

Put the *fun* into fundraising!

Here are some interesting ways that we might be able to raise some funds and have a good time as well!

- A fete or bazaar
- A bridal fashion show - contact local retailers who may be more than happy to supply dresses, flowers, hair & beauty ideas etc. You will also need a hall, models (friends, family etc) and a commentator.
- An auction - auction off good quality, donated goods.
- No formal dress days - suitable for many office and company environments. Alternatively work in fancy dress!
- Sponsored toddle or splash - little ones can be sponsored to walk a (realistic!) distance or enjoy splashing a width or two at the pool.
- Run the Marathon in aid of the BTA!
- A toddler group bring and buy sale
- A themed disco - 70's/80's/pets/favourite popstar etc...
- A fancy dressed walk - gain sponsors including a local business, the walker can then wear something to publicise the business in return.
- Sponsored sporting event - football, rounders, cricket, tug of war? This could be mums Vs dads, kids Vs parents...

If you are interested in doing any of the above or have a fundraising idea of your own then please contact the BTA on www.birthtraumaassociation.org.uk for sponsorship forms and other information.
